

ST CUTHBERT'S

CATHOLIC SCHOOL

STUDENTS SHOW CHARITABLE SIDE

LUNCH TIME: St Cuthbert's students selling pies and sausage rolls for charity.

THE student representative council at St Cuthbert's Catholic School has been very busy this year.

With a group of 10 students (two school captains, two deputy captains and six house captains), the SRC has held fundraisers to sponsor a child from a third world country.

A weekly sausage roll and party pie day was found to be a very good way to raise money to sponsor our child.

Assistant principal and Grade 5 teacher Mr Matt Kean helped the students reach their goals.

An Activities Day for the whole school was great fun and raised about \$300. Half of this went to the SRC and half went to the Daniel Morcombe Foundation.

The money that was kept by the SRC was used for little projects around the school and to support our sponsor child in the Philippines.

The SRC also raised money to be sent to Pakistan following the horrific floods there earlier this year.

This year is the first year St Cuthbert's has had an SRC and it has run very smoothly and successfully.

The students have learnt a lot about leadership, and the fun and the responsibilities being a school leader involves.

The year provided many opportunities for these young

students to involve them in leadership roles.

● This *Mercury* School Page was produced by St Cuthbert's students Aimee Rose, Isabella Podwinski, Manuel Hennicke, Elisa Graves, Oliver Wray, Sarah Lattanzio, Dermott Walker, Sarah Bourke, Megan Churchland and Christian Paoli, with thanks to all sponsors.
